

 My very first Curly who gave me the most wonderful start in dog world one can have. He was my first pedigree dog and through him I became more and more interested in the breed, and in everything you can do with a Curly. We learned everything together, I had never handled a dog in the show ring, and I had never trained a gundog. In the end we achieved much more than one can dream of! ♦ Vincent was a born leader, and a true showman. He didn't need me to do all his winning, if he was in the mood I just knew he was going to win that day. His outstanding temperament was combined with the most correct movement I've ever seen in our breed. Last but not least should his sense of humour be mentioned, he was the biggest clown and did everything his own way.
