Bruiser was born in a litter of 5 black dogs and 3 black bitches in Jeannette and Alan Findlow's [Roughyeds Kennel](http://www.roughyedscurlycoats.co.uk/index.html) in Great Britain. Sire is the Finnish Import Caballus Waterman (Muddy), and dam is Aspenwood Carbon Copy at Roughyeds (Leto). Both have gained CC's, and both have passed their Show Gundog Working Cetrificat, so hopefully more CC's will follow.

As Leto was named after a Greek Godess, puppies in this litter all got names of Greek Gods. I choosed Poseidon, God of the water and horses. 3 Pups from this litter were exported to the continent, Roughyeds Triton lives in Holland with the family Winters, and [Roughyeds Phoebe](http://www.smart-dogs.de/engl_smart_dogs_home.htm) lives in Germany with family Bahrig.
